

High Quality Chemicals

Manufacturer, Supplier and Exporter of quality Chemicals.

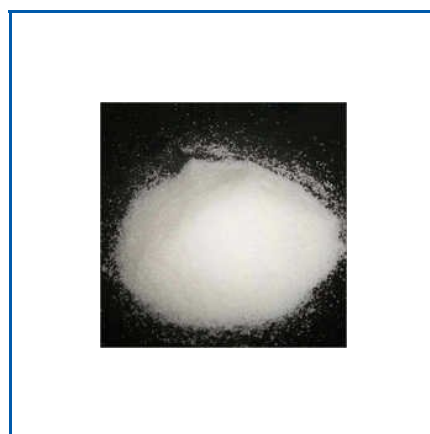

ALPHOX 200, Acetic Acid Glacial, Anhydrous Ferrous Sulphate, Calcium Chloride, Calcium Hypochlorite, Caustic Soda Flakes, Caustic Soda Lye, Crystal Ferrous Sulphate, Defoamer Chemical, Dried Ferrous Sulphate, Effluent Treatment Chemicals, Ferric Alum, Ferric Alum Chemical, Ferric Alum Slabe, Ferrous Sulphate, etc.

HYFLOSUPERCEL FILTER AID

MAGNESIUM SULPHATE CRYSTALS

POLYELECTROLYTE CATIONIC

About Us

In a short span of time, we, Radhe Enterprise, have secured excellent business visibility as a leading Manufacturer, Supplier, Trader and Exporter of quality Chemicals. We deal in a wide range of Defoamer Chemical, Turkey Red Oil (TRO), ETP Chemicals, General Chemicals, Acids, GACL Product. Our products such as Magnesium Sulphate, Ferrous Sulphate, Hydrochloric Acid, Sulphuric Acid, Hydrogen Peroxide, Defoamer, etc., are immensely admired and appreciated for their superiority and quality excellence amongst market competitors. Ever since our establishment in the year 1990, we have been offering outstanding quality chemicals to our valued clients worldwide.

Over the years, based on our reputable industrial experience & expertise in formulating world class chemical products, we have emerged as one of the most preferable market leaders in the Caustic Soda, Ferrous Sulfate and other Industrial Chemicals. We are backed by a sound infrastructural base and a highly trained workforce, which immensely contributes to the excellent market credentials that we enjoy today. Moreover, our formulated chemicals are produced using the highest grade of raw materials in exact composition to assure their optimum performance and high market credibility. We stand out as a sole provider of quality-approved products under a single roof. In addition, we manage a vast distribution network all across the globe that further enables us to make secure & time-bound deliveries right at client's door step.

Key Facts

Nature of Business	Exporter
No of Staff	20
Year of Establishment	1990
OEM Service Provided	No

Our Products

Acetic Acid Glacial

Sulphuric Acid

Non Ferric Alum

Turkey Red Oil 50%

Calcium Hypochlorite

Hydrogen Peroxide

Turkey Red Oil

Silicone Defoamer

Poly Aluminium Chloride Liquid

Poly Aluminium Chloride Powder

Sodium Hypo Chlorite

Effluent Treatment Chemicals

Hydrochloric Acid

Polyelectrolyte Anionic

Poly Aluminium Chloride

Nitric Acid
